Final Placement Report 2016

Foreword

The Placements Team at IIM Kozhikode takes immense pride in announcing the successful culmination of the Final Placements season for the PGP batch of 2014-16 in a record 7 days. The team would like to sincerely acknowledge the effort and contribution of every individual who has paved the way in raising the stature of IIM Kozhikode globally.

First and foremost, we would like to express our sincere gratitude to our regular recruiters who have continued to lay faith in the capabilities of the students at IIM Kozhikode. The campus has seen an overwhelming increase in the number of recruiters expressing interest in partnering with IIM Kozhikode owing to the caliber and diverse demographics of the student community.

The team would like to convey its heartfelt thanks to the global alumni base of the institute for their incessant support and assistance. We would also like to appreciate the students of both the batches of PGP for their continued cooperation and help. The overwhelming success of the placements season is purely because of the valuable support and collaboration of every past and present student of the institute.

We hope to build stronger relationships with our recruiters and continue to take IIM Kozhikode to greater heights.
